Fee associated with lodging and board

On-campus accommodation

On-campus accommodation is compulsory for undergraduate students during Semesters 1 and 3, (Semester 4 students might be required to live compulsory on campus with full board. They will be informed accordingly before the start of the semester), as well as for all undergraduate direct entry and undergraduate exchange students transferring to Les Roches Marbella for the first time (upon availability).

The standard rate shown, on the previous program tables, covers accommodation in a shared Double Room. (Triple rooms are also offered at 3,880€ per semester). After the

downpayment is made, all students choosing the school accommodation will receive instructions by email on making a room reservation in our online lodging platform.

Subject to availability, students can try to secure one of the limited number of single rooms on campus, via the platform, on a 'first-come, first-served' basis and will be confirmed once the full fee of the room has been made. For all other types, rooms are only confirmed upon the receipt of the full payment of fees as per payment deadline.

Off-campus accommodation

The off-campus option is only available to BBA S4, S6 and 7 (though Semester 4 students might be required to live compulsory on campus with full board. They will be informed accordingly before the start of the semester), as well as PG and Master's programs' students. Les Roches Marbella offers off-campus accommodation near the campus. These students can also opt for their own accommodation. Off-campus accommodation will be confirmed once the full amount of off-campus accommodation (managed by Les Roches Marbella) and the downpayment have been received.

The off-campus accommodation fee is not refundable.

For further information on the off campus accommodation managed by Les Roches Marbella please contact your Educational Counselor.

Non-Smoking Policy

Please note the campus is a smoke-free area, including all residences and bedrooms.

Full board or half board

Full board on campus includes three meals a day, five days a week, as well as brunch and dinner on Saturdays and Sundays.

Students on half board are responsible for their own dinner and weekend meals.

Insurance

Students are required to have health insurance coverage during the academic semesters/terms and internships. Students who do not provide a valid private insurance certificate will automatically be registered by the institution at the most competitive rate which may vary from one semester/term to another. (Accident insurance coverage is included for all students in the main tuition fees. Les Roches Marbella cannot be held responsible for the theft of personal belongings, student damage or third-party insurance.

Personal and private insurance, to cover issues such as damage or theft of personal property, is not mandatory but is strongly recommended and is the student's responsibility. The health insurance fee to cover the internship semester will be sent with the invoice for the previous on-campus semester.

Laptop Policy

Students will need to have individual access to our intranet website which hosts student information including support, teaching documents and other learning resources.

Students may bring their own laptop provided it meets the institution's requirements.

Specifications are published on our website at lesroches.es under the admissions, accepted students section in the campus guide.

Personal expenses

It is estimated that students require on average sum of 300 per month to finance their out-of-pocket expenses such as snacks and drinks, entertainment, personal supplies, laundry, and any other personal expenses.

Internships (if applicable)

If the program of study includes internship

periods, the student is requested to complete their internship(s) in establishments approved by Les Roches. The main objective is to prepare students for their professional career by developing their managerial, entrepreneurial, and personal skills to their fullest through interesting and challenging internships.

Les Roches has established excellent relationships with the hospitality and tourism industries, and a wide choice of training opportunities is offered to students in large, medium, or small companies, in Spain or abroad. However, some countries can be restricted by government visa, work permit, policies and/or language requirements.

Although internships are generally paid by the employer, the remuneration received cannot be expected to finance studies at Les Roches.

Visa application procedure for accepted candidates

As some students will require a student Visa to enter Spain (countries not belonging to the European Union), they are kindly requested to verify visa requirements for their nationality and apply at the right time.

Accepted candidates will receive an acceptance letter from the Admissions Department detailing the visa procedure. For students who need an entry visa, it is imperative to request a one-year student visa type D (not a tourist visa, except for the Executive Program). Students are strongly advised to apply immediately as it takes at least two months to obtain a visa. You can speak with your Educational Counselor for any questions about the procedure.

Candidates must make a personal request at the Spanish Embassy / Consulate in their country of residence and present the school's attestation. Once the visa is approved (approx. 8 weeks), the Embassy / Consulate will notify the candidate

who then must collect the original visa from the Embassy / Consulate.

Candidates with European Union passports need only to send the required documents to the school.

Downpayment (reservation)

1. New students: Upon receipt of the acceptance package and proforma invoice, a downpayment of 4,000€ for international students is to be paid within 15 days from the date on the offer letter in euros, by bank transfer, credit card or online at flywire.com/pay/lesrochesmarbella

This non-refundable deposit guarantees the reserved place in the program and is automatically deducted from the first semester's invoice. In case an accepted candidate postpones his/her studies, the balance will be carried forward to the next two subsequent intakes.

Late cancellation fee & refund policy

The tuition fees paid for each semester are not refundable. If a new student cancels before the official arrival date on campus, only the downpayment (reservation) and application fee will be retained.

If a returning student cancels his/her studies after the deadline of 15th of May (for the September intake) or 1st November (for the February intake) and without a written notification, the downpayment will be kept in the student's account for the next intake.

If a student is suspended, expelled, or withdraws on his/her own wish once the semester has started, no fees will be reimbursed. In case of mitigating circumstances (e.g. medical, financial hardship, or similar), validated by a member of the school's management as part of the early check-out procedure, exceptions may apply.

Payments

Payments must be made in full in euros no later than the 15th November (for the February intake) and no later than the 15th May (for the September intake), unless a payment plan contract has been approved.

Students will not be permitted to begin their studies until payment for the semester has been received. Spanish Residence permits, academic transcripts and degrees are only delivered / awarded upon full settlement of all outstanding fees.
